

## **JTB Studios - AD COPY**

### **Position Title: Senior Designer**

- Experienced UI/UX Designers and those looking to grow further are invited
- Full time permanent positions with flexible and remote working on offer
- **Please ensure your application includes a link to your folio**

JTB Studios is an industry leading and fast-growing creative web design agency in Melbourne creating beautiful, powerful award winning digital - each project is a careful cultivation of talent and technology. As we continue to grow, we are looking for a creative Senior Designer who shares a passion for beautiful design, collaboration, and quality.

### **The Opportunity**

This position at JTB will work within a team environment to deliver best-in-class design solutions for a range of different national and international clients and industries. This process will involve:

- Solving complex UI and UX problems with simple and elegant outcomes
- A strong focus on delivering bespoke, innovative solutions. We look to benchmark every industry we work in
- Construction of seamless wireframes & interactive prototypes with a user centred focus
- Document your designs, interactions, and functionality to collaborate with developers and ensure seamless delivery
- Advise our performance team on UI and UX solutions for digital behaviours that need improvement
- Cooperatively run strategy workshops with clients, deciding strategic design direction driven by company objectives and customer goals
- Understand clients overall needs as a business and provide solutions focused around growth

You will work on a broad range of projects including; Digital Transformations, Company Websites, Software Portals, Digital Products, Landing Pages, Web and Native Mobile Applications and Marketing Lead Gen Campaigns.

### **About You**

- 8+ years' experience (preferably within an agency) implementing strategy
- Have strong animation and interaction skills to explain your vision and bring it to life
- Experience with modern design and prototyping tools; Figma, Sketch, XD, Adobe CC Softwares, Invision, etc.
- Ability to present and concisely explain and discuss design options to technical & non-technical stakeholders
- Positive attitude and a passion that drives you each day to further your knowledge in design theory and application
- Enjoy working within a modern, award winning and passionate design team

**In Return we offer you continued** growth and development to take your career to the next level. Our aim is to invest in our people as they grow in their digital career.

## **Our Studio**

JTB Studios is an award winning independent Digital Agency in Melbourne, with over 15 years in the industry. As an industry leader we work closely with a range of clients and industries to create beautiful digital solutions that deliver big results. We work with national and international brands, delivering transformative design solutions, from a range of different industries and categories of work (e.g., Education, ECommerce, Government, Fashion, Start Ups, Portals, Finance, Real estate etc.).

We are a team of experienced and passionate individuals who are extremely welcoming, friendly and all love what we do. We offer a competitive industry salary, supportive and fun working environment focused on a work-life balance, and world leading skill development in a collaborative environment.

Our agency is based in South Melbourne but also offers flexible working options for all our team members. Currently we are all working remote and going into our beautiful office 1-2 times a week.

Join an environment where you work hard within a supportive team, design world class projects, while enjoying flexible working options and the benefits of a workplace that promotes work life balance.

## **How to apply**

If this sounds like a place you'd like to develop and build your career, send an email to [careers@jtbstudios.com.au](mailto:careers@jtbstudios.com.au) with a copy of your resume and any relevant design experience (Link to your portfolio or PDF or Behance etc.)

**Please Note:** Applications without a portfolio or relevant website examples will not be considered.
